SATURDAY, MAY 16, 1857.

Legislative Council.

The 9th May 1857.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 1st May 1857, and is hereby promulgated for general information :—

ACT No. VI OF 1857.

An Act for the acquisition of land for public purposes.

WHEREAS it is expedient to make better provision for the acquisition of land needed for public purposes within the territories in the possession and under the Government of the East India Company, and for the determination of the amount of compensation to be made for the same : It is enacted as follows :—

I. Sections I to VII inclusive, Regulation I. 1824 of the Bengal Code ; so much of Act XXVIII of 1839 as is in force ; Act I of 1850 ; Act XVII of 1850 ; Act XLII of 1850 ; Act XX of 1852 ; and Act I of 1854—are hereby repealed, except so far as they repeal the whole or any part of any other Regulation or Act, and except as to suits or proceedings commenced, contracts made, acts done, and liabilities incurred before the passing of this Act.

II. Whenever it appears to the local Government that any land is required to be taken by Government at the public expense for a public purpose, a declaration shall be made to that effect under the signature of a Secretary to the

Government or of some Officer duly authorized to certify the orders of the Government, and such declaration shall be conclusive evidence that the purpose for which the land is needed is a public purpose ; and after making such declaration, the Government may take any such land in the manner hereinafter provided.

III. Whenever any land shall have been declared to be so required for a public purpose, the Government shall direct the Collector of the District or some other Officer specially appointed in that behalf, to take order for the acquisition of the land in the manner hereinafter provided.

IV. The Collector or other Officer shall thereupon cause the land to be marked out and measured, and a plan to be made of the same. After the land has been so marked out and measured, he shall cause a notice to be affixed in some conspicuous place upon the land, and published by proclamation in the neighbouring bazars and villages, to the effect that the land is about to be taken by Government for a public purpose ; and shall also give notice to the same effect to the occupier (if any) of such land, and to all such persons known or believed to be interested therein or to be entitled by Section XXXVIII of this Act to act for persons so interested as shall reside or have agents within the Collectorate or other Revenue District in which the land is situate by serving such notice on such persons or their agents. Such notice shall contain a citation calling on all persons interested in the land to appear personally or by agent at a time and place therein mentioned, such time not being less than fifteen days after the date of publication of the notice, and to state the

nature of their interests in the land and the amount and particulars of their claims to compensation for the same.

V. On the day fixed, the Collector or other Officer shall proceed to enquire summarily into the value of the land and the amount of compensation to be awarded: and if he and all the persons interested who have attended in pursuance of the notice agree as to the amount of compensation to be allowed, shall make an award for the same; and if the said persons agree also in the apportionment of the compensation, such apportionment shall be specified in the award. The award shall be final and conclusive in regard to the value of the land and the amount of compensation for the same; and also in regard to the apportionment (if any) of the compensation among the persons who have agreed thereto. The Collector or other Officer may, if no claimant shall attend pursuant to the notice, or if he shall think fit for any other cause, postpone the enquiry to a day to be fixed by him and notified in the manner provided in the preceding Section.

VI. When the Collector or other Officer proceeds to make the enquiry as aforesaid, whether on the day originally fixed for the enquiry or on the day to which the enquiry may have been postponed, if no claimant shall attend, or if the said Collector or other Officer shall be unable to agree with the persons interested who have attended in pursuance of the notice as to the amount of compensation to be allowed, the matter shall be referred to the determination of arbitrators to be appointed in the manner hereinafter provided.

VII. If upon the said enquiry any question arise, respecting the title to the land or any rights or interests therein, between two or more persons making conflicting claims in respect thereof, the person deemed by the Collector or other Officer to be in possession as owner, or in receipt of the rents as being entitled thereto, shall, for the purpose only of taking such measures as may be necessary for fixing the value of the land and the amount of compensation to be allowed for the same, be held as between such persons to be the person interested in the land.

VIII. When the Collector or other Officer has made an award or directed a reference to arbitration, he may take immediate possession of the land which shall thenceforward be vested absolutely in the Government, free from all other estates, rights, titles, and interests.

When any case is referred to arbitration, the Collector or other Officer, and the person interested in the land, shall, unless they concur in the appointment of a single arbitrator, each appoint one arbitrator; if there be several persons having a joint interest in the land, and they cannot agree in the appointment of an arbitrator, such disagreement shall be deemed a refusal to appoint within the meaning of the next following Section.

Clause 2. If there be several persons having distinct and separate interests in the land, and they cannot agree in the appointment of an arbitrator on their behalf, it shall be competent to the Collector or other Officer (subject to the orders of the Commissioner or other superior Revenue authority) to refer the question of the compensation to be allowed for each of such distinct and separate interests to a separate arbitration, or to select any one of the persons interested whose interest appears to him to qualify such person to represent the others; and the person so selected shall appoint an arbitrator on behalf of all the persons interested.

In every case the appointment shall be in writing, and neither of the parties to the arbitration shall have power to revoke the same without the consent of the other.

XIII. If any person, on being appointed an arbitrator, shall refuse to act, or, after accepting the appointment, shall die or become incapable of acting, another person shall be appointed in his stead, in the same manner in which the first person was appointed.

III. A Deputy Collector appointed under this Act may, within the District to which he is appointed, perform such of the duties and exercise such of the powers of a Covenanted Assistant Collector as shall be assigned to him from time to time by the Collector of such District; and shall be subject to the same control in all respects as a Covenanted Assistant Collector is subject to.

Legislative Council.

The 9th May 1857.

THE following Bill was read a second time in the Legislative Council on the 2nd May 1857, and was referred to a Select Committee, who are to report thereon after the 13th of August next:—

A Bill to make lawful compulsory labor for the prevention of mischief by inundation, and to provide for the enforcement of customary labor to certain works of irrigation in the Presidency of Fort Saint George.

WHEREAS the safety of person and property is endangered by inundations caused by sudden breaches of the embankments of tanks, rivers, and canals, and of anicuts and other like works, and it is necessary for the common good to make it obligatory on persons of the laboring classes, when duly called upon, to unite their labor to prevent such breaches, or to repair them instantly; and whereas it is expedient to make legal provision for the enforcement of the duty which by local custom is incumbent on village communities to furnish the labor required for the execution of certain works for the purpose of irrigation and drainage; It is enacted as follows:—

I. Whenever it shall appear to the Officer in charge of any tank, river, or canal, or of any anicut or other like work, that there is imminent danger of the embankment of such tank, river, or canal being breached, or of a breach being made in such anicut or other work, and of a destructive inundation being caused thereby which may be prevented by a large body of laborers immediately working together to strengthen the embankment or other work; or when such a breach has occurred, if it shall appear to such Officer that it can be repaired and the inundation caused by it be stopped by the immediate employment of a large body of laborers for that purpose—it shall be lawful for such Officer to require the head or heads of the village or villages in the vicinity to call upon all able-bodied male persons of the laboring classes in such village or villages to co-operate in the work necessary for preventing or repairing the breach as the case may be. In the absence of the said Officer it shall be lawful for the Tehsildar of the talook to make such requisition in his stead. And if neither the said Officer nor the Tehsildar is on the spot, and the emergency is great and urgent, it shall be lawful for the head of the village in which the breach is expected to occur or has occurred, of his own motion to call upon the laborers as aforesaid of his own village and, if needful, to make a requisition to the heads of the neighbouring villages to call likewise upon the laborers of their villages to co-operate in the work necessary for preventing or repairing the breach.

II. Any male person of the laboring classes being duly called upon by the head of his village to labor as aforesaid, who shall refuse or neglect to comply with such call without any lawful

excuse, shall be punished with a fine which may extend to one hundred Rupees, or with simple imprisonment which may extend to one month, or with both.

III. Every person who shall be employed on such work under such requisition shall be paid for his labor by day at the highest rate paid in the neighbourhood for similar work, and if he is required to work at night at double such rate.

IV. Payment shall be made to the laborers from the public Treasury; and if the laborer shall have been employed upon a work belonging to a private person, the amount advanced from the Treasury shall be recoverable from such person by the same means which may be lawfully used for the recovery of arrears of Land Revenue.

V. It shall be lawful for heads of villages, on the requisition of the Officer in charge of such works as aforesaid, or in his absence on the requisition of the Tehsildar, or in case of emergency, when neither such Officer nor the Tehsildar is on the spot, of their own motion, to make requisitions upon the inhabitants of their villages for the supply of materials, to wit, cocoanut trees and leaves, bamboos, straw, and the like, necessary for stopping breaches in the embankments of tanks, rivers, and canals, and to take such articles wherever they may be found, giving receipts for them in writing; such supplies shall be paid for from the public Treasury at the highest prices which can be obtained for such articles in the neighbourhood; and when the work for which they are used belongs to a private person the amount advanced from the Treasury shall be recoverable from him by the same means by which arrears of Land Revenue are recoverable.

VI. Whenever by local custom any work for the purpose of irrigation or drainage or connected therewith is usually executed by the joint labor of a village community, any person bound to contribute labor to such work, who refuses without reasonable cause to comply with a requisition for such customary aid made to him by the head of the village under the orders of the Tehsildar or other superior Revenue Officer, shall be liable to pay any expense incurred in the execution of the work by reason of his default. The amount of such expense shall, in case of dispute, be determined summarily by a village or District punchayet assembled by order of the Collector through the Village or District Moonsiff according to the rules for assembling such punchayets prescribed in Regulations V and VII of 1816. The amount awarded by the punchayet shall be payable on demand; and on non-payment the same may be levied by distress and sale of the goods of the defaulter, or may be recovered by the same means by which arrears of Land Revenue are recoverable.
